“Welcome to Fostoria”: Community Leaders Celebrate Fieldstone Nursing and Rehabilitation Center’s Ribbon Cutting

Guests toured remodeled resident units and a refreshed therapy gym, then voted in a pumpkin design contest.

FOSTORIA, Ohio, November 10, 2026. “Welcome to Fostoria. We’re happy you’re here.” Fostoria Mayor Don Mennel offered that greeting on Monday, October 26, as Fieldstone Nursing and Rehabilitation Center celebrated its new name with a community ribbon cutting.

Nearly 50 guests attended the ceremony at 25 Christopher Drive. They included residents and families, the Fostoria Area Chamber of Commerce, ProMedica Fostoria Community Hospital, Evolve Therapy, and Diane Dietz, Assistant Executive Director of the Ohio Health Care Association. Administrator Stephanie Seay cut the ribbon.

Formerly Saint Catherine’s Manor of Fostoria, the facility began operating as Fieldstone under new ownership on May 1, 2026. Since then, the team has remodeled resident units, refreshed its therapy gym, and upgraded its therapy equipment.

Guests toured the units and the therapy gym. “It’s very homey and warm and welcoming,” Dietz said.

“We are proud to introduce Fieldstone to the Fostoria community,” Seay said. “Our goal is to build meaningful relationships with residents, families, healthcare partners, and community organizations. We will provide care that promotes dignity, respect, and quality of life.”

The afternoon also featured a pumpkin design contest. Guests viewed the entries and voted for their favorite.
